

Greetings:

This is to provide an update on what we're doing to support you as our global community navigates the implications of COVID-19. The Calvary Temple Baptist Church and The Calvary Community Outreach Network will continue to monitor regional and national trends to provide safe and effective programming and services even during the challenges provided by the coronavirus pandemic. Serving your needs in a safe manner is of the utmost importance to us.

Worship & Bible Study

Due to newly established city policies we will not be able to meet for several weeks. We are working to update our capabilities so that we can share our services via our website, YouTube and Facebook. We are also adding additional options for on-line giving. Stay tuned.

Wellness Center

The Wellness Center is committed to remaining open long as we can. We will monitor and follow any stricter guidelines as mandated by federal, state and local government as they may occur. Effective immediately, all rentals, community meetings and workshops will be postponed.

Helping Youth Plan for Excellence (HYPE)

Beginning immediately, all meetings and rehearsals are suspended until April 15th. Our April 9th performance at the Folly is postponed. The tentative reschedule date is Thursday, September 24th.

Prevention

- Wash your hands often.
- Cover your cough/sneeze with tissue.
- Don't touch your eyes, nose, or mouth.
- Avoid close contact with sick people.
- Clean and disinfect high-touch surfaces often.
- Stay home when you are sick.

More information can be found at www.cdc.gov/coronavirus or health.mo.gov/coronavirus.

Please watch your email inbox; our website and Facebook page for announcements on rescheduled dates or future schedule changes. We are currently considering a number of options that will enable us to gather digitally -----stay tuned!

DON'T PANIC: We serve the Great Physician! Being a source of calm and reason is even more vital in light of an outbreak of this nature.
