Greetings:

After much deliberation, America the world is re-opening. Each of us must use wisdom as we determine the best moves for our families, businesses and loved ones. I pray that you will continue to use caution as the next chapter of this saga unfolds.

This is to provide an update on what we’re doing to support you as our global community navigates the implications of COVID-19. The Calvary Temple Baptist Church and The Calvary Community Outreach Network will continue to monitor regional and national trends to provide safe and effective programming and services even during the challenges provided by the coronavirus pandemic. Serving your needs in a safe manner is of the utmost importance to us.

**Worship & Bible Study**
We will continue our Sunday Morning Live Stream services on YouTube & Facebook for the foreseeable future. Please continue to log in faithfully, subscribe and enjoy. Our team is working on creative content that we hope will encourage and edify you while we are apart.

**Wellness Center**
When we closed the Center in March, we converted the facility to a distribution site to provide groceries, hygiene and sanitation items to the community. The impact of the COVID-19 pandemic has been devastating. Food Insecurity is one of the harsh realities of our time.

Daily our staff and volunteers are serving breakfast and lunch to children 18 and under. Distribution to adults and families are occurring on Tuesdays and Thursday. We are so grateful to our members, community partners and sponsors. Without you our capacity to serve would be severely hampered.

We will post information in the next few weeks to let you know a projected opening date for us to resume regular business activity.

We appreciate your patience and understanding.

**Prevention**
Staff is continuing to work with Faith Leaders from the Greater Kansas City area to discuss COVID-19 reopening plans and introduce unified mobilization strategies to reduce new infections in the African American community. A series of informational sessions and interventions are planned.

**DON’T PANIC:**
For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.

*2 Timothy 1:7*
